- Activities of Investment Fund

Asset Management in the company is made by a team of qualified brokers, who are using for many years a reliable, effective and time-tested investment strategies, a wide range of financial instruments and established strict risk management procedures.

# WHERE THE FUNDS EARNS

**What brings the fund money A.G.A.M.** And what brings the fund money with all the financial licenses. General Fund revenues come from four directions: **1.** Placement of foreign securities. **2.** Refinancing of companies that lost their capital for any reasons. Analysts of equity investment fund A.G.A.M. searching for those companies at the market, which are well-functioning, but do not have the required amount of money for their further functioning and growth. We analyze the economic situation and are looking for new sources of funding. Refinancing is the main form of income for investment banks and funds all around the world. **3.** Financial factoring. Having a trading contract with a real physical product and taking a pledge of shipping documents A.G.A.M. fund guarantees, speaking a third party, the commission payments. In this case the fund is a financial intermediary, which earns a good profit without risk, because without documents, that the fund pledged, goods are not released. The money will not go, but remain on the fund accounts, and for ensuring we get paid good money. **4.** Organization and carrying out of IPO. Equity investment fund Atlantic Global Asset Management buys shares of the company, before they get to the IPO, as well as investing in the purchase of promising companies, followed by the creation and output of their own shares in the IPO. The company earns on the difference between the stock price, which is paid before the IPO, and the price, which is set at the time of the start of trading.

# Buying of the company TACV Cabo Verde Airlines

The slide features the Atlantic Global Asset Management logo in the top left corner. The main title is 'Purchase of the company TACV Cabo Verde Airlines'. Below the title is a photograph of a TACV Cabo Verde Airlines aircraft on a tarmac. The bottom half of the slide has a green geometric background with a checklist of four items, each preceded by a green checkmark icon. In the bottom left corner, there is a small green circle with the number '9'. In the bottom right corner, there is a green arrow pointing right with the text 'IPO of companies'.

- ✓ Prospective company
- ✓ Purchase
- ✓ Deepen audit
- ✓ Complete restructuring

9 IPO of companies >

In the middle of 2016, Fund Atlantic Global Asset Management bought debt securities of small airline TACV Cabo Verde Airlines.

TACV Cabo Verde Airlines is the only airline which has a fully licensed Class 1 in Cape Verde. The company has a monopoly on all domestic traffic in the region and around the world. Airline tickets are sold at 100% and usually a week in advance. The company also carries out international air traffic passenger and cargo airlines. At the time of the transaction the company was in a critical condition – almost on the verge of bankruptcy: carried out several dozen flights around the world and had a modest fleet. In addition, most of the park was laid in various banks. As a result, the fund A.G.A.M. bought current airline aircraft with the crew, the chief pilots and the entire infrastructure. After the final price was established by agreement with the Government of Cape Verde, a deep audit was held and complete restructuring of the company.

Road Show >

Then began the preparing for entering the IPO (Initial Public Offering). The most famous investment banks such, as Goldman Sachs and Morgan Stanley were involved.

Negotiations were held between the management of the company and investment bankers, in the course of which the share price, offered for purchase, was determined, their type and the total amount of funds that are to be attracted. Then it began active work on the preparation of the company for the initial public offering on the stock exchange.

After the IPO, the company's value will increase in several times. Then a sell is possible on some of portfolio investor – such as Chinese. As a result, the profitability of the transaction according the estimates of company's experts will be 300-500%. In this case the deal itself will take place in 7-8 months! Now the company is fully prepared for entering to IPO: have all the necessary documents, all the permissions are obtained, Road Show is held.

# ROAD SHOW FOR INVESTORS

Questra World is the advertising broker with exclusive rights over the promotion and sale of financial products of Joint-stock investment fund Atlantic Global Asset Management. Questra World has its origin in the financial holding SFC Group operating since 2009.

19

Director >

Questra World is an advertising broker, which has exclusive rights to promote services of the joint-stock investment fund Atlantic Global Asset Management. Questra World also originated in the financial holding SFG Group operating since 2009.

The main office of the advertising broker is located in the city of Madrid in Spain.

# Chief executive officer of Questra World

José Manuel Gilabert – is a Chief Executive Officer of Questra World. He is a professional with 23 years of experience operating and managing of major companies in top management positions. Since 1993, participated in establishment and development of over 16 major European and American companies including his own, such as JM Gilaber Bautista. Canned Vegetables Factory, Union Brothers, Hispania Ibericam Foods, Pegasus Corporation, Proindes Films, Chile West Group, Co-Founder Premium Trading International and many others. Master of business administration and financial management, businessman and philanthropist. He is fluent in 4 languages.

# Business Promotion Model

Creating an advertising broker Questra World, CEO José Manuel Gilabert took as a basis and made the main focus of Questra World, business promotion model, proved for more than one million companies and used for over 50 years – a model of multi-level network marketing. All companies allocate huge sums on advertising budget. Guidelines of broker Questra World chose this model of promotion, since it is much cheaper and requires less budget to find new customers than through the media, radio and the internet.

The model of the development and advertising based on the Multi-level marketing MLM well-known promotion system was implemented in the company only in 2014, before that we had dealt only with corporate clients. And very quickly it has proved its efficiency and economic feasibility. The advantage and prospect of network marketing today are undeniable. And it is not possible arguing with that. With all the economic troubles in the land networking side of the company has shown the most powerful dynamic growth and Questra World is not exception.

# Questa World provides two types of income

Questa World is a universal offer, that is interesting for all business types. For customers wanting the company to get more profits and remuneration, the advertising broker Questa World provides two types of income.

The first type of income is the percentage of return on sales of joint-stock investment fund Atlantic Global Asset Management products, according to the career ladder of the person, who has decided to participate on the advertising broker Questa World. When a customer buys or invests on portfolios on the recommendation of an agent/representative of Questa World, the agent is paid a commission for the advertising and promotion of the company as a percentage of the cost of the product sold of the agent, according to his career level. so The commission is between 5%-15%

The second type of reward is a bonus program. Reaching levels of the career ladder and fulfilling conditions of the program, the agent gets in addition to a nice percentage of income cash bonuses at each level of the career ladder.

# Career ladder

Let us consider the first type of income which is referral commissions. This program consists of 11 levels of career, climbing on which you will receive not only a new position, but also increase your rate of commissions on people you tell about the investment opportunity. Transition through the levels depends on the volume of an investment you and your whole structure has made. (You combined with all your structure you have referred and those referred by them up to 11 levels deep)

Level 1 – beginner/Newcomer, For sharing the investment opportunity you'll receive 5% direct referral commissions

To achieve the 2nd level you together with your structure, regardless of the time, need to have made an investment of 3000 euro. (You combined with all your structure you have referred and those referred by them up to 11 levels deep)

To go to the 3rd level – 25 000 euro, and so on up to level 11 “Super Director”

Let's suppose, after working for 3-4 months, you have become the Gold agent of the 4th level with a percentage of 10.5% on referral

commission. You referred a new member who invested on portfolio “Red”, worth 7290 euro. According to your 4th level, your referral commission of 10.5%, your earned commission will be 765 euro. The more you refer and the higher your level, the more you earn.

BUT NOTE: THIS ONE IS OPTIONAL, YOU CAN JUST INVEST ON ATLANTIC GLOBAL ASSET MANAGEMENT AND SLEEP, THAN EARN YOUR INTEREST AND GET PAID EVERY FRIDAY,

## Bonus programme

Let me introduce you the second type of income – bonuses. Starting with total investment of 25 000 euro (You combined with all your structure you have referred and those referred by them upto 11 levels deep) on the 3rd level “Silver Agent”, the agents of the holding are beginning to receive additional cash bonuses. Having achieved total investment, both personally and jointly with your entire structure of 25 000 euro, you receives bonus reward of 1000 QP/Euros.

With combined total investment of 50 000 euro – You receive a bonus 2000 QP/Euros , 100,000 euro – bonus of 5000 QP/Euros and so on upto a cash bonus to one million QP

**REMEMBER:** This is not you alone ,but combined with all your team or structure upto 11 levels deep. and there is no time set.

**QUESTRA WORLD** Bonus programme

The volume of sales for transition	Career Ladder	Bonus
